

# The White Rock Festival of Lights Society

## “Living Tree” Light up the Waterfront Opportunity

Only 50 “Living Trees” are available

Orders must be confirmed by November 12, 2019

During the Holiday Season of 2019, The White Rock Festival of Lights Society in collaboration with the City of White Rock, White Rock businesses and community groups, will be staging a magical holiday lights event on the waterfront in White Rock.

Here is your opportunity to support this event by purchasing one of the “Living Trees” that will be on display at Memorial Park through the month of December. In return for your purchase, your family, small business or corporation will receive the following:

- A 6 foot (1.8m) or 8 foot (2.5m) “living tree”, yours to decorate appropriately
- A set of multi-coloured lights and space for a family or corporate sign that you provide
- The ability to “donate” or take home your “living tree” at the end of the Festival
- Recognition of your purchase/donation through social, web and print media ([www.wrfl.ca](http://www.wrfl.ca))

Your support of the project this year will ensure that the event will continue in future years.

Please choose one of the plans from the following Sponsorship Category options:

<input type="checkbox"/> \$1,000 Corporate “living tree” + 100 lights	<input type="checkbox"/> \$250 Small Business “living tree” + 50 lights
<input type="checkbox"/> \$200 Family “living tree” + 50 lights	<input type="checkbox"/> \$20 – 50 lights per set – Quantity required =
